

**Analysis of a District Induction Program Success
DCNTP District Council, December 16, 2013**

Describe a success in working with Beginning Teachers, Mentors, or Principals that your district induction program has enjoyed since September.	To what Induction Program Standard(s) does this success align? To which key elements (bolded sub-headings)?
What made it successful? Describe the evidence	What role did you play? What role did others play?

Meet with one or two other district's representatives who have a model similar to your own, and share your success.

Notes from the other team's success:
