

SMART Action Plan for the Dane County New Teacher Project

Specific
 Measureable
 Attainable
 Relevant
 Time-bound

Consider our needs, available resources, and priorities, and develop one to two goals, with a one year timeline.

IPS/Element:	Goal:	By when:	By whom:	As measured by:
4.a, 4.b	We will continue to implement, analyze and refine the DCNTP consortium survey to provide the consortium and de-segregated district data to guide the growth and program support/consult to meet our mission/vision goals.	Every spring	NTIN team stakeholders	Increased survey result use and participation rates

Action steps:

- Use board meeting to look at data and dialog about it
- Make district reference to our DCNTP use of survey data in our own communication
- Author some questions based on our priorities
